Dear Parents/Guardians,

During this school year we will not be able to accept food to be shared with students for birthdays and other celebrations at school due to Covid-19. I know we all want to protect the health and safety of our little ones at Pine Street Elementary School. **In order to ensure that this occurs, we will not accept any food items for birthday celebrations and other holiday celebrations.**

Thank you in advance for understanding the importance of taking these precautionary steps in order to provide a safe learning environment for all of our students. It takes a whole community to look out for all of our children. We appreciate your role as a concerned parent for your child as well as for all the other children within our school.

We hope we will be able to return soon to the many activities and celebrations with all of those favorite “yummy foods” that students and staff have been able to share and enjoy together at school.

Sincerely,

A handwritten signature in purple ink that reads "Loretta J. Clark". The signature is written in a cursive style.
